The Hon'ble the President in Council, advertng to the violent Storm which visited Calcutta and the neighbourhood on the 2d, 3d and 4th instant, and to the importance of obtaining accurate local Registers of all such Phenomena, is pleased to direct the republication of the following Notification, to which the attention of public Officers, of the different Settlements and Stations of India, is requested.

H. V. BAYLEY,
Depy. Secy. to the Govt. of India.

No. 138.
FORT WILLIAM,
GENERAL DEPARTMENT,
WEDNESDAY, 11TH SEPTEMBER, 1839.
NOTIFICATION.

The importance of investigating the Course and Phenomena of Storms has been brought to the notice of Government by the Hon'ble Court of Directors and the Hon'ble the President in Council is, in consequence, desirous of obtaining local Registers of these Phenomena taken simultaneously at as many Stations of India as may be found possible. The public Officers of the different Settlements and Stations of India are accordingly invited and requested, upon the occurrence of any Hurricane, Gale or other Storm of more violence than usual, to note accurately the time of its commencement, the direction from which the wind first blows, whether in gusts or regular, and whether accompanied with rain, thunder and lightning, or other Phenomena. Also to note, with as much accuracy as possible, the changes of direction in the wind and the time of the occurrence of each; and lastly, the duration of the Gale and in what quarter the wind is when it ceases. The variations of the Thermometer and Barometer at each period noticed will also be of importance, if the means are forthcoming of making such observations.

The President in Council refrains from making it the business of any particular Officer to note the above circumstances, but relies on the known desire of all enlightened persons to promote objects of Scientific and useful Enquiry, that the public Officers will arrange in such manner as to ensure that the observations will be taken by some one in the vicinity of each Station.

Reports upon matters of the description, comprehended in this Order, may be forwarded to the Secretary to Government in the General Department, free of postage (Superscribed "Storm Report".)

A Scientific Gentleman in Calcutta has obligingly undertaken to combine all Reports that may be so received into a Synopsis for exhibition of the results in the manner adopted and recommended by Colonel Read, R. A.

By order of the Hon'ble the President of the Council of India in Council,

OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via "Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

NOTIFICATION.

FORT WILLIAM, OPIUM DEPARTMENT,

THE 2^D JUNE, 1842.

NOTICE is hereby given, that on Monday, the 27th day of June 1842, at the hour of 11 o'clock in the Forenoon, will be put up to Sale, at the Exchange Rooms at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned Quantity of Opium, the Provision of 1840-41, subject to the following Conditions, viz.

Produce of Behar Agency Opium, Chests.....	3,014
Ditto of Benares Ditto, ...	1,148

Total Chests ... 4,162

CONDITIONS OF SALE.

1. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2. The Opium to be offered for Sale at an upset Price of Rupees 400 per Chest, and to be all sold to the highest bidder above that price.

3. If at the above Sale the entire quantity of 4,162 Chests shall not be sold, it shall subsequently be competent for the Board of Customs, Salt and Opium, to dispose of the Lots which remain on hand at future Sales.

4. Each Lot to contain Five Chests.

5. A Deposit in a Promissory Note for 1,000 Rupees per Lot, or 200 Rupees per Chest, shall be made by the Purchaser in the Sale Room, and before the Lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the Afternoon of Friday, the 1st July 1842, or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or Deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such Re-sale, shall be borne and paid by the Defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale under the last mentioned Condition, if remaining unredeemed on the said 1st July 1842, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7. No Tender of Money, Sub-Treasurer's Receipts or Public Securities on account of Opium upon which the prescribed Deposit may not have been made before 4 o'clock of the 1st July, will be afterwards accepted.

8. The Opium now advertised for Sale, shall be paid for within One Calendar Month from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 p. m. of Wednesday, the 27th July 1842, and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit of 1,000 Rupees per Lot, or 200 Rupees per Chest, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit.

9. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots, or of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10. No Sub-Treasurer's Receipts or Deposits of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The Receipt for such Deposit will be granted only in the name of such Purchaser, and the Public Securities deposited will be returned when the clearance has been made by the said Purchaser or his order.

11. The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall on demand tender at the time a Deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts or other Government Securities equal to One Thousand Rupees per Lot (or Two Hundred Rupees per Chest,) on each Lot so bid for.

12. The Purchaser of any Lot shall have the option of naming and purchasing in immediate succession any number of Lots of the same Agency Opium to the extent of Fifty Lots; and for the Lots so purchased, the Purchaser shall deposit 1,000 Rupees per Lot, and pay the same price per Chest as that for which he purchased his first Lot, provided always that there remain a sufficient number of Lots of that Opium to complete the said Fifty, but not otherwise.

13. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall, and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

14. The following Papers, together with Samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertised for Sale.

No. 2. Report of the examination of such Opium.

15. The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1840-41, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17. Application having been made by the French Authorities for 300 Chests of Opium deliverable to them under the 6th Article of the Convention between Great Britain and France, dated 7th March 1815, in the proportions stated in the margin, it is hereby notified, that in the event of the whole or any portion of the Opium thus claimed by the French Government not being cleared out within the limited period allowed for clearance, viz. one month from the date of the sale, such quantity of Opium (or any part thereof) as may remain uncleared, will be sold at the sale next ensuing, the date of payment or disposed of, at a Sale to be held expressly for the purpose.

By Order of the Board of Customs, Salt and Opium,
H. TORRENS, Secretary.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL
OF INDIA.

ALLAHABAD, 16th June, 1842.

The Right Honorable the Governor General of India having determined to incorporate the Troops recently raised in Hindoostan, for the Service of His late Majesty Shah Soojah-Ool-Moolk, with the Bengal Native Army, is pleased to direct the following arrangements to be adopted for giving effect to the measure :

The Corps, with the exception of those at Jellalabad, will remain embodied until their arrival at Ferozepore, on which date they will be paid up, and each Soldier being furnished with a Certificate of his previous Service, will be sent to join the Corps assigned to him.

Any Officer or Soldier who may desire not to enter the Service of the East India Company, is to be discharged with a Gratuity of three Months' Pay and full Batta, and any Officer or Soldier who may be pronounced by a Special Committee (to be assembled for the examination of the whole by the Officer Commanding at Ferozepore) to be physically unfit for the Line, is to be discharged with a Gratuity of three Months Pay and full Batta of his present rank, for every year he may have served West of the Indus.

Any Officer or Soldier who may, previous to his transfer to the Shah's Force, have served in the Line long enough to establish a claim to pensionary support, and who may be pronounced unfit for the Service, is to be transferred to the Invalid Establishment on the pension of the rank he held in his former Corps, as provided for in the General Order of the 1st of November 1838.

The European Commissioned Officers lately in the Service of the Shah, with the exception of those at Jellalabad, will continue attached to their present Corps until their arrival at Ferozepore, when, as soon as they have completed the arrangements now directed for the disposal of the Men, they will proceed and join the Regiments to which they severally belong.

The Staff Sergeants of the Infantry Battalions will remain at Ferozepore under the orders of the Brigade Major at that Station, until instructions for their disposal are furnished from Army Head Quarters.

The Quarter Masters and Bazar Establishments of the Jellalabad Corps are to be distributed among the Corps of that Force, at the discretion of the Major General Commanding, and on their return to the Provinces, they are to be paid up and discharged.

The Establishments with the other Corps will remain attached to them until their arrival at Ferozepore, when they likewise will be paid up and discharged.

As none of the Native Officers of the Shah's Force held a rank higher than that of Jemadar, when originally transferred from the Line, His Lordship has been pleased to fix that rank as the highest in which any Officer shall return to the regular Army, and their Commissions, as Jemadars, are accordingly to bear the date of this order: the Non-Commissioned Officers and Privates must enter their new Corps as the juniors of their respective grades.

The Native Officers and Men of the Mountain Train are to be attached to the 4th Company 6th Battalion of Artillery, and on their return to the Provinces, such of them as may be pronounced fit for the Service, are to be distributed equally amongst the three Native Troops of Horse, and the two Native Battalions of Foot Artillery, at the discretion of the Brigadier Commandant of the Regiment; the Subadar as a Jemadar.

The Sappers will be formed into two Companies, and added as Supplementary Companies to the Bengal Sappers and Miners; on their arrival at Ferozepore, they will be examined by a Special Committee, and any Officer or Soldier who may be found unfit for the regular Army, is to be discharged with a Gratuity of three Months Pay and full Batta, for every year he may have served West of the Indus.

The Detachment of Anderson's Horse, now at Jellalabad, will do duty for the present with the 3d Irregular Cavalry, but on their arrival within the Provinces, they are to be sent to join the Corps now assigned to them.

The Horse Artillery will be formed into one Troop, and added as a Supplementary Troop to the 1st Brigade of Horse Artillery.

All Ordnance, Ordnance Stores, Harness, &c., in excess to the proportion assigned by regulation to a Troop of Horse Artillery in Bengal, are, on arrival, to be deposited in the Magazine at Ferozepore, and such of the Horses as may be pronounced by a Committee unfit for the Horse Artillery, are to be made over to the Commissariat Department to be disposed of.

Such of the Officers and Men as may be pronounced unfit for the Service, and who, by previous servitude have established no claim to pensionary support, are to be discharged with the prescribed Gratuity.

Major General Pollock, C. B., will appoint the European Officers now at Jellalabad, and recently in the Service of the Shah, to do duty with the Troops under his Command, forwarding copies of the Orders he may issue disposing of them to Army Head Quarters, for confirmation.

All promotions in the Corps remaining embodied are to cease, and any which may have been made in them, or in the disbanded Corps subsequent to the 5th of April last, are to be cancelled.

* The date of the demise of the Shah.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 21ST MARCH, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 21st March 1842.

ACT No. — of 1842.

An Act concerning the acquirement and extinction of rights by prescription in the territories subject to the Government of the East India Company, without the local jurisdiction of Her Majesty's Courts, at Calcutta, Madras, and Bombay, and in the Straits Settlements; and for the limitation of Suits in the Courts of the East India Company.

Prescription.—Section I. It is hereby enacted, that subject to the exceptions hereinafter mentioned, a title by prescription shall be acquired in respect of property, moveable and immoveable, and hereditary offices, by uninterrupted possession, mediate or immediate, as proprietor, for six years, in the case of moveable property, and for twelve years in the case of immoveable property and hereditary offices; provided that if any other title be proved, the possession shall have been adverse thereto—and provided that nothing herein contained shall be construed to affect any right arising from possession of moveable property now recognized by Law.

Section II. And it is hereby enacted, that in the case of any benefits, liberties, or privileges, derived out of, or affecting any immoveable property which shall have been enjoyed without interruption for twelve years, a right to the enjoyment thereof against the owner of the property shall be acquired by prescription, subject to the exceptions hereinafter mentioned, unless such benefits, liberties, or privileges shall have been enjoyed by some consent or agreement expressly given or made for that purpose by some Deed or writing.

Section III. And it is hereby enacted, that when a right to any such benefits, liberties, or privileges, as aforesaid, whether acquired by prescription or otherwise, shall have been disused for twelve years, the right shall be extinguished.

Section IV. And it is hereby enacted, that when a party shall have been forcibly dispossessed of immoveable property, or shall have been prevented from enjoying some benefit, liberty or privilege, derived out of, or affecting immoveable property, and shall have applied within the time limited by any law now in force, or within one month, to the

proper authority, for assistance to recover the possession or the use thereof, and shall have recovered the same—the period during which his possession or enjoyment was interrupted in such manner shall not be considered an interruption within the meaning of this Act.

Section V. And it is hereby enacted, that when the possession upon which a title by prescription is claimed shall have been acquired by the deprivation of another party who was previously in possession, or in opposition to a title which had accrued but upon which possession had not been taken, or having been taken had been previously interrupted, it shall be deemed adverse in respect of the party so deprived of possession, and of any one claiming in the same right, or in respect of the parties interested in the said title, as the case may be, from the time at which the possession actually commenced; and that when an adverse title shall have accrued after the possession was acquired, the possession shall be deemed adverse to the parties interested therein from the time at which such title accrued.

Section VI. And it is hereby enacted, that possession acquired by a bona fide purchaser for valuable consideration from a Trustee, or from a Depository or Mortgagee, shall be deemed adverse to the Mortgagor, or Depositor, or Beneficial Owner under the Trust, from the time of the acquisition by purchase.

Section VII. And it is hereby enacted, that a title by prescription shall be acquired by possession by or through a Depository or Mortgagee which shall have continued without interruption, for thirty years in the case of moveable property, and sixty years in the case of immoveable property, unless in the mean time an acknowledgment of the title of the Mortgagor or Depositor, or of his right of redemption, shall have been given to him or some person claiming his interest, in writing signed by the Mortgagee or Depository or the person claiming through him, in which case prescription shall not take effect until possession shall have been had without interruption for 30, or 60 years, as the property may be moveable or immoveable, from the date of such acknowledgment.

Section VIII. And it is hereby enacted, that in the case of a concealed fraud by which a party shall have been deprived of any property, the possession thereof shall not be deemed adverse to the party entitled until the time at which such fraud shall or with reasonable diligence might have been first known by him, except when it shall have

been acquired by a bonâ fide purchaser for a valuable consideration, or when a party shall have succeeded to it by inheritance or devise: in the former case adverse possession shall be deemed to have commenced from the time that the party entitled was deprived of the property by means of such fraud—in the latter from the time of the succession—provided it shall not appear that the party to whom the possession devolved assisted in the commission of the fraud, or at the time he entered into possession knew, or had reason to believe that the fraud had been committed.

Section IX. And it is hereby enacted, that when a party having a right to any Estate or interest in reversion or remainder shall have become entitled to the same in possession by reason of any forfeiture or breach of condition, but shall have waived his action to recover thereupon, possession shall not be deemed adverse to him or any party claiming in the same right until the determination of the previous right.

Section X. And it is hereby enacted, that suits other than for property and rights to which the above rules are applicable shall not be admitted in the Courts of Judicature of the East India Company except as hereinafter provided, unless they are instituted respectively within the period specified in the following Section.

Section XI. First. Within one year from the time the cause of action arose.

Suits for penal damages or pecuniary penalties, or forfeitures, for the breach of any law or regulation.

Suits for damage for injury to the person and personal property or to the reputation.

FORT WILLIAM,

LEGISLATIVE DEPARTMENT,

THE 21ST MARCH, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 21st March, 1842:

ACT No. — of 1842.

An Act for extending the Statute Ch. XXI. 4th and 5th of Queen Victoria in certain cases to the Territories of the East India Company.

I. It is hereby enacted, that the Statute Ch. XXI. of the 4th and 5th years of the reign of Queen Victoria, entitled "An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease" and Release by the same parties," shall be extended to the territories of the East India Company from the 1st day of July next; provided always that this Act shall not be construed to affect any case which would not have been governed by the Law of England before the passing of the aforesaid Statute, if this Act had not passed.

An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same Parties.

[18TH MAY, 1841.]

"Whereas it is expedient to lessen the expense of conveying Freehold Estates: Be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, That every Deed or Instrument of Release of a Freehold Estate, or Deed or Instrument purporting or intended to be a Deed or Instrument of Release of a Freehold Estate, which shall be executed on or after the 15th day of May 1841, and shall be expressed to be made in pursuance of this Act, shall be as effectual for the purposes therein expressed, and shall take effect as a conveyance to uses or otherwise, and shall operate in all respects both at Law and Equity as if the releasing party or parties who shall have executed the same had also executed in due form a Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Release, although no such Deed or Instrument of Bargain and Sale or Lease for a year shall be executed, provided that every such Deed or Instrument so taking effect under this Act shall be chargeable with the same amount of Stamp Duty as any Bargain and Sale or Lease for a year would have been chargeable with (except progressive Duty) if executed to give effect to such Deed or Instrument, in addition to the Stamp Duties which such Deed or Instrument shall be chargeable with as a Release or otherwise under any Act or Acts relating to Stamp Duties.

II. "And whereas many Deeds or Instruments of Bargain and Sale or Leases for a year, to give effect to Deeds or Instruments of Release of Freehold Estates heretofore executed, have been lost or mislaid; be it enacted, That where, in or by any Deed or Instrument of Release of Freehold Estates executed before the 15th day of May 1841, any Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Deed or Instrument of Release shall be recited, or by any

mention thereof in such Deed or Instrument of Release appear to have been made or executed, such recital or mention thereof shall be deemed and taken to be conclusive Evidence of the Deed or Instrument of Bargain and Sale or Lease for a year so recited or mentioned having been made and executed; and such Deed or Instrument of Release shall also have the like effect as if the same had been executed after the 15th day of May 1841, whether such Deed or Instrument of Bargain and Sale or Lease for a year shall or shall not have been lost or mislaid, or may or may not be produced: Provided always, that this Act shall not prejudice or affect any proceedings at Law or in Equity pending at the time of the passing of this Act, in which the validity of any Bargain and Sale or Lease for a year shall be in question between the party claiming under such Bargain and Sale or Lease for a year and the party claiming adversely thereto, and such Bargain and Sale or Lease for a year if the result of such proceedings shall invalidate the same, shall not be rendered valid by this Act.

III. And be it enacted, that in the construction of this Act the word "Freehold" shall have not only its usual signification, but shall extend to all Lands and Hereditaments for the conveyance of which, if this Act had not been passed, a Bargain and Sale or Lease for a year, as well as a Release, would have been used.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 21st day of June next.
